

For Immediate Release

## LHD50 LINEAR HIGH DEFINITION SERIES

Napoleon's innovative LHD50 offers homeowners a custom designer fireplace without the "custom" price.

### LHD50 Linear Direct Vent Gas Fireplace

WOLF STEEL LTD., Barrie ON

Napoleon's innovative LHD50 offers homeowners a custom designer fireplace without the 'custom' price. The long, narrow firebox provides a room with a modern centerpiece design and a comforting warm glow that adds the finishing touch to the perfect setting. The LHD50 comes standard with an exclusive CRYSTALINE™ glass ember bed. You may also opt for River Rocks or Coloured Glass to customize your fireplace design even further. Another unique feature of the LHD50 is that you can choose between a one-sided or see-thru model. The see-thru model allows you to enjoy this luxurious fireplace from two separate rooms.

- Up to 30,000 BTU's with adjustable flame/heat control for maximum comfort and efficiency
- Full 48" linear viewing area with contemporary design
- Fuel saving electronic ignition with battery back up
- Available as a see-thru or a one-sided unit
- Heat radiating ceramic glass
- CRYSTALINE™ glass ember bed comes standard
- Optional River Rock or Coloured Glass (black, blue, red, amber) ember beds are available
- Optional media enhancement kits (GEO shapes and coloured glass) can be added to any of the ember bed choices
- Linear burner gives a uniform flame pattern
- Optional curved, prism shaped Porcelain Reflective Radiant Panels
- Optional CRYSTALITES™ (lights that accent from underneath the ember bed)
- Optional ergonomic remote control
- Optional contemporary designer surrounds are available
- Perfect for residential or commercial applications
- Certified for bedrooms, bathrooms, bed sitting rooms and mobile homes
